Message

Education is not to be confined within the walls of a classroom and restricted to bookish knowledge. The world is changing at a fast pace. Sarvhitkari Keshav Vidya Niketan in such scenario plays a very significant role as it provide quality education and ensuring holistic development of the students and nurturing them with love and care.

I congratulate all who have contributed in this journey including management, principal, educators and parents because this would not have been successful without their incessant and general support.

Sarvhitkari Educational Society (Regd.) Punjab

The core aim of education is to provide young kids with a learning environment which brings out the best in them. We aim to develop a future generation that takes pride in our heritage and culture and also turn into excellent professionals and achievers.

Keshav Vidya Niketan Jalandhar has been offering brilliant students for the last so many years. It provides free environment to young kids wherein they can grow, learn and practice to their potential in them. It's highly qualified experienced and devoted staff and principal are committed to the cause of education. I request the parents to send their children to this school so that day can become the best citizens of this nation.

(Managing Committee, Jalandhar)

I am happy to know that SKVN is publishing its prospectus for the session 2026-27.

I am confident that it will provide all the relevant information of the various aspects of our school to the parents and will enable them to take an informed decision for admission of their ward in the school.

I hope they will give our school, the opportunity to prepare their child for a happy and successful future.

I extend my best wishes to Sarvhitkari Keshav Vidya Niketan.

"Education is not preparation for Life; education is life itself.

- Swami Vivekanand

Dear Students, parents, staff members and my well wishers. It is my honour and privilege to greet you with warm prayful wishes that you be showered with abundant blessings from the almighty.

We all know that education is the strongest weapon in the world and we have to use it in a best possible manner to promote ourselves, society and nation. Dear all, I wish you the blessing of a positive attitude and this is what we also try to build in our students. We at Sarvhitkari Keshav Vidya Niketan strive to provide a platform where a child is holistically educated for physiological, cognitive, social psychological and spiritual growth.

May god continue to protect and bless our school. I would like to wish all the members of Sarvhitkari family.

Nelson Mandela once said "Education is the most powerful weapon which you can use to change the world. No matter what you're fighting for, leading with a sharp mind can create more positive change than running towards challenges with a sharp sword.

We are providing best education in our school which can helps you gain respect from others to change the society for better future and become independent in life. Our team is always dedicated towards progress and all round development of the child which can contribute towards better nation building dreams.
